

LimbPower Core Values

CORE VALUES

ENJOYMENT

LimbPower work to promote the enjoyment and fun of taking part in an activity, as well as promoting the health benefits. Encourage the whole family friends and social and support networks to engage in an activity together.

EMPOWERMENT

LimbPower work to support and enable individuals through caring, listening and responding positively to their individual and organisational needs. To motivate and inspire individuals with limb differences to change their own lives and make their voices heard. We advocate and promote positive role models as a catalyst for engagement.

INCLUSION

LimbPower respect diversity, treating everyone equally, with fairness and without discrimination to create conditions and opportunities for everyone to engage in an activity.

KNOWLEDGE

LimbPower strive to be impairment-specific experts in sharing quality and accurate knowledge, advice, support and guidance to beneficiaries and partners.

ACTIONS TO ENSURE VALUES

RESPECT

LimbPower work to treat everyone as individuals, with respect and dignity and celebrate people's differences. Promote sportsmanship at all of our engagement opportunities.

IMPACT

To strive to make a real and sustained difference to the lives of our beneficiaries in a measurable way, through running fun and educational activities, events and workshops that empower the individuals and their families and support network.

PROFESSIONALISM

LimbPower strive to act at all times with responsibility, transparency, integrity, honesty and sincerity. To deliver our work with a high level of competence, efficiency quality and accountability.

COLLABORATION

LimbPower is committed to working with others to provide sustainable opportunities to affect behaviour change and have an impact on our community.
