

Together We Will

Together We Will is a new campaign created by the National Disability Sports Organisations, Sport England and the English Federation of Disability Sport.

The campaign aims to support disabled people to be more active.

Together We Will can help support you to become healthier, stronger and have fun being active with your friends and family.

Over the next three months disabled people will talk about how they enjoy being active with friends and family.

The campaign will help you to find useful information about people and organisations that can support you to be more active.

The National Disability Sports Organisations will help disabled people who want to be more active.

The National Disability Sports Organisations are British Blind Sport, Cerebral Palsy Sport, Dwarf Sports Association UK, LimbPower, Mencap, Special Olympics Great Britain, UK Deaf Sport and WheelPower.

They provide advice, support and opportunities for people of all ages with specific impairments.

A VISIBLE DIFFERENCE THROUGH SPORT
